**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive internet provider because I believe it's critical that we support local businesses. They are the backbone of a healthy economy and they are ridiculously more accountable to their customers than a corporate behemoth whose primary interest is in funneling revenue to its shareholders; customers and employees be damned!

Resist the Robber Barons and do what's right for the American people!
